Western Team Will Be Invited.
Chicago, Oct. 24.—A leading western football eleven will be invited to compete in a post-season game against one of the eastern colleges this year, according to advices received today from Walter E. Hapgood, secretary of the Boston Nationals.
The game will be played the Saturday after Thanksgiving in the Eastern baseball park. As evelens of the "big nine" are barred from post-season contests, either Nebraska, Notre Dame or Michigan will be invited to make the trip.

Post Season Games Undecided.
Boston, Oct. 24.—Plans for a post-season football contest between eastern and western teams are indefinite as yet, according to Walter E. Hapgood, secretary of the Boston National baseball club, who is quoted in a Chicago dispatch as desirous of having such a game played at Braves' field, the Saturday after Thanksgiving. Mr. Hapgood said his idea was that Dartmouth, Tufts, or Brown might be chosen as the eastern team, Harvard and Yale being eliminated from consideration.

Levinsky Claims Light-Heavy Title

Bridgeport Fighter Outpoints Jack Dillon in 12 Round Bout—Levinsky Had Advantage in Every Round Except Fifth.

Boston, Oct. 24.—Battling Levinsky of Bridgeport, Conn., claimed the light-heavyweight championship of America tonight after outpointing Jack Dillon of Indianapolis, in a twelve round bout. The referee's decision was undisputed.
Levinsky had whatever advantage there was in every round except the fifth. He rocked Dillon at times with both right and left and showed his ability to take repeated punches without apparent loss of strength. Dillon seemed to lack his usual aggressiveness while Levinsky added to his customary strong defense and offensive that was compelling.
Levinsky outweighed Dillon by ten or twelve pounds.

Woodland Golf Club Wages U. S. Golf Association Members.

Boston, Oct. 24.—The Woodland Golf club in a circular letter to clubs that are active and allied members of the United States Golf association, today

announced that it would bring the before the annual meeting of the association in January its fight for reinstatement as amateurs of Francis Oumet, former national amateur champion, J. H. Sullivan, Jr., and Paul Tewksbury.
These young men, members of the Woodland club, were debarred from participation in tournaments as amateurs because of their business connections.
In its letter the club stated that "many clubs had offered to join in a call for a special meeting for consideration of our appeal," but that it had concluded to withhold a request for action until the regular meeting.

The National League must be strengthened, in the opinion of John K. Tener, its president. Mr. Tener says he believes the 21-played limit has worked against the league in the world series games and that the limit will be increased next year.

FINANCIAL AND COMMERCIAL

MARKET WAS IRREGULAR.
Quotations, Lowest in the Last Hour, Rallied Before the End.

New York, Oct. 24.—The approach of the presidential election and attention paid to political considerations were accepted as the most plausible reasons for the irregularity of the market today, after a forenoon of decided strength.

Prices yielded on two points. The first was the decline being effected on comparatively light offerings. The last half of the session was characterized by frequent intervals of lassitude, trading from midday to the close barely aggregating one-third of the total of 1,250,000 shares.

Quotations were at lowest levels in the last hour, but rallied substantially before the end, when leather and paper shares, as well as petroleum and obscure railers were in demand.

Aside from its wonted leadership as to activity, United States Steel pursued a comparatively normal and narrow course, making a net decline of 1-5 after a temporary advance of 3/4 fraction. Standard rails reflected prevailing speculative sentiment and non-dividend issues of that division were strong, except Washash, which lost some ground.

Continued irregularity of the bond market was traceable to further selling of international, especially Anglo-French five per cent. Total sales, par value, were \$6,370,000.

United States bonds were unchanged on call.
